"Your book "New Nurse, How to Get, Keep and LOVE Your First Job," helped boost my confidence in that I can achieve anything I set my mind to. The examples you provided helped me realize that all seasoned nurses once were new nurses and they too had the similar insecurities that I have experienced as a new nurse. This idea is calming to me and gives me great hope for the future. I love how you presented the information in

such a humble way and I truly enjoyed reading about your experiences and recommendations. I love nursing! Sincerely, Erica Soto RN from Menasha, Wisconsin "I can't thank you enough for these wonderful tools! I used your audio on getting over mistakes and it really helped a lot. I particularly enjoyed the quote from Mark Twain. Also, your words: "First you must forgive yourself and see the lesson that you learned. Understand that you are a good person and that nothing happens that is not in the Divine plan. Second, replace this vision for a new awesome one!!" were so powerful to me and really helped. I actually wrote them down, so that I can refer to them in future. :) Thank you again for these wonderful gifts! I am so inspired by your work and vision. I think it is so great that you have all these resources for nursing students, new nurses, and veteran nurses. Your books seem like wonderful resources for nursing students and nurses alike. Wishing you all the best." Best regards, Colleen Schmitt
